New Customer Welcome Event.

Cazenovia Equipment Company holds each year a Welcome Event. This event is open to all our new customers. It combines a service clinic and informational session. The following topics will be discussed at this year's event:

How to prepare your unit for the winter and protect your investment

Maintenance schedules and the many choices you have for your equipment maintenance:

Ready to Mow We come to you
Service Kits Do it yourself
Service Promotions In shop special maintenance programs
Managing attachments for your new unit
Information on attachments for your unit

Demonstration on how to attach and detach tools:

Performance Check

Clients can share performance questions with our Service Techs

Trouble shooting common performance issues
Improving your unit performance preserving safety

Options for new customers
