*This discount offer is available for a qualifying second piece of equipment purchased between February 17, 2008 and October 30, 2009. Both purchases must be made at the same dealer but need not be made at the same time. The purchase of the second piece of qualifying equipment must be made within 12 months of the purchase of the first piece of qualifying equipment but in any event before October 30, 2009. The purchase date for either the first or the second piece of qualifying equipment is either the order date or the delivery date of the equipment at the dealer's discretion. If both purchases are made at the same time, the highest discount is given. Available only at participating dealers. Limit one discount per each qualifying unit purchased. Prices and model availability may vary by dealer. Some restrictions apply. See dealer for details.
